Class 1

It has been a busy week in Class 1 as we finish off parts of our learning before we break up for Summer. I have to say the children have been fantastic! This week we have started our DT project for the reception children. We have planned and now started to sew felt fish together and the children have shown real self-belief and resilience in learning a new skill. Look out in next week's bulletin for a picture of the finished products! The Nursery children have been equally busy learning about floating and sinking as well as practicing writing their name ahead of next year!

Class 2

It has been a hot week of learning this week. The children have created their own oceans layers using tissue paper. In science, we have explored our local area for different trees naming whether they are delicious or evergreen. In PSHE, we drew around ourselves and discussed what kindness looks like.

Class 3 and 4:

What a busy week it has been in school! The children in KS2 have been working incredibly hard to perfect their performance, and what a fantastic job they did. Their singing, acting and stage presence were all outstanding. Their determination and perseverance have really paid off, and they should be incredibly proud of everything they achieved.

The children have also put a huge amount of effort into creating their stalls for the enterprise fair, showing fantastic teamwork, creativity and problem-solving skills. They designed some brilliant games and worked together so well throughout the process. Thank you to everyone who came along to support the children and our school we really appreciate it!

Class 4:

Our Class 4 pupils, Kitty and Hanna, performed amazing pieces of music on their violins to Class 3 and Class 4 demonstrating their dedication and hard work to learning a musical instrument. Well done to them!
