Class 1

We had a wonderful time with all our friends from other schools in the federation as we shared Christmas lunch at Stillington School. After our delicious lunch we had lots of fun playing with friends old and new. It's so lovely that we can come together and learn with other children, this provides lots of opportunities for further developing those all important social skills. Finally, this week saw us perform our Nativity, we are so proud of our youngest children learning so many songs and actions!

Class 2

We really enjoyed our Christmas lunch at Stillington! Not only was our lunch delicious but we had lots of fun playing with friends old and new! Tuesday was an exciting evening as we performed our Nativity. Thank you so much for the time you spent helping children to learn their lines, it really helped make the show such a success!

Class 3 & 4

It has been a wonderful week filled with Christmas celebrations, including making our own Christingles. KS2 delivered an amazing Christingle service, showcasing their musical talents – well done to everyone involved!

They also did a fantastic job singing for members of the community at the community lunch. It has truly been a festive week, and we are all looking forward to continuing the celebrations next week.

Foston Staffing Update

I am pleased to share the fantastic news that Mrs Snowden is expecting a baby and is due in March. Whilst Mrs Snowden will be greatly missed at Foston School and across our federation, we are excited for her on this wonderful news. We are currently exploring options for covering Mrs Snowden maternity leave, and will update you on our successful recruitment. We will ensure a smooth transition between Mrs Snowden and the new class teacher for the children.

Christmas party

On Wednesday 17th December the children will be having a Christmas party alongside their class to have a dance, some games and get everyone in the festive spirit! Children are welcome to come into school on Wednesday 17th December in non-uniform for the Christmas party, this may be a Christmas jumper if you already have one or can be any outfit they would like to wear. Please ensure suitable clothes and shoes are worn to allow children to access the day comfortably and safely, including when playing outside.
